

## B2 Project Objective Template

- Complete the following table for each objective you have developed.
- Add rows as necessary and duplicate this table as needed for each objective (you should have 2-5 objectives).

Objective #:		Objective Description:						
Activities to Achieve Objective		Staff responsible	Timeframe	Outputs*	Short Term Measurable Outcomes** (Less than 6 months)	Long Term Measurable Outcomes** (6+ months)	Estimated # of Homeless Students (or families) to be Impacted	Data Sources used to Measure Outcomes (See B3 Project Evaluation Tools)
1								
2								
3								

\*An output is the amount of service provided through funded activities (e.g., number of homeless students who received transportation, number liaisons trained)

\*\*An outcome is a change in behavior, performance, knowledge or attitude resulting from the funded activities (e.g., academic achievement increased as a result of activities).
